(2) Government Letter, Rehabilita-
tion Department No. EVS 3354/6699-
B dated 4th March 1954

(3) Government Resolution Rehabili-
tation Department No. POWER/1053-I
dated 21st June 1954.

Sir,

According to Government Circular Memorandum, Develop-
ment Department No. GSO.1452 dated 15th November 1952, a newly
created office may spend Rs.20/- per Officer and per Clerk on
articles of stationery required for use in the first year in
addition to Rs.30/- per type-writer. There is one Officer and
six Clerks in this Office. There is also a type-writer taken
on hire for the use of this Office. Hence by the letters nos.
1 and 2 mentioned above Government authorised this Office to
spend Rs.170/- on articles of stationery during this first
year of its existence.

2. The above said sum of Rs.170/- sanctioned for the
purchase of articles of stationery for this Office has been ^{already} /
wholly spent for the purchase of the said articles. But the
stock of the articles of stationery, so purchased, is already

running short. The reasons for this shortage are mainly two :-

- (1) that this office is required to supply three ⁵ copies of every judgment and order made by me to the Custodian, Deputy Custodian and Assistant Custodian of Evacuee Property and
- (2) that this office is also required to furnish certified copies of the orders and documents to parties at their cost.

Extra type-writer ribbons, carbon paper and ordinary white paper are necessary for supply^{ing} the said copies and certified copies. As the paper purchased by this Office with the above said amount had already exhausted, this office had to borrow considerable quantity of paper from the local Mahalkary's Office.

3. For the value of certified copies supplied by this Office to the parties in June and July last, Rs.144-8-0 was recovered from them in the form of Indian Postal Orders and transmitted to the Office of the Competent Officer, Bombay. It is expected that about Rs.100/- will be recovered for the value of certified copies that will be furnished in August and September 1954.

4. Extra stationery worth Rs.60/- at least will be required for use in this Office till the end of September next. In view of the considerable income which this Office derives by supplying certified copies for value to the parties, and for the other reasons stated above, I have to request you to be so good as to move Government to sanction expenditure of Rs.60/- more on articles of stationery for the use of this Office till the end of September, 1954. In anticipation of sanction I shall have to purchase some white paper and carbon paper for immediate use of the office.

5. Under Government Resolution, Rehabilitation Department No.POWER/1053-D dated 21st June 1954 sanction was accorded to the opening of ^athe Civil Court Deposit Account in the name of the Competent Officer, Karnatak Division. Accordingly ^apermission has ^{been} obtained from the Accountant General, Bombay to open such an account at the Government Sub-Treasury at Bhatkal. To operate such an account the following books and forms are necessary :-

Description of the Book or Form	Quantity required	Standard Number of the Book or Form
Treasury Pass Book	1 Book	Civ.D 30e & k
Cheque Book	1	Civ.D 31e
Challans	200	Try.8A e & k
Receipt Book	1 Book of 100 receipts	Gen.113e

Without having the above books and forms it will not be possible to maintain a Civil Court Deposit Account with the Treasury. I have, therefore, to request you to be so good as to move Government to indent the above books and forms from the Yeravda Prison Press and to instruct that Press to send the same by Book Post to this Office.

Yours faithfully,

(M.M.Nadkarni)
Competent Officer,
Karnatak Division.
